

DonorNet® Q& A Conference Calls – Extended through May

Weekly DonorNet® Q& A Conference Calls will be continued into May through the national implementation of the DonorNet® system. These calls are conducted every Wednesday from 1:00 pm to 2:00 pm Eastern Time. The final conference call will be held on May 23, 2007.

The toll free dial in number for the calls is **(877) 232-4392**, participant code **470691**.

DonorNet® Q& A Conference Calls address practical user questions and basic technology issues related to implementing the new electronic organ placement system.

Please share this information with anyone in your organization who may be interested in participating.
